Hi Katrina

I was lovely speaking to you this morning. My contact at B&Q is really impressed with the relationship that you have developed with the Canterbury store and wanted me to pass this onto you and your fellow volunteers. This is a great example of our local fundraisers working with the local stores.

Hi Katrina

Wow! This is amazing and the best total yet! Thank you so much and well done.

Any tips as to why you did so well for future collections?

Thanks again,

Katia
